Re: FISU Executive Committee Meeting, Online 3 November 2026 – Decisions

Dear Member Federations,

We trust this communication finds you well.

On 3 November 2026, an online FISU Executive Committee was held during which several matters were discussed and the corresponding decisions were approved. You will find below a summary of the key decisions relevant to the NUSFs.

1. FISU Disciplinary Committee

Following the adoption of the updated transitional Code of Ethics in August 2026, the Executive Committee decided to appoint the members of the Disciplinary Committee, in accordance with Article 137 of the Internal Regulations, to examine disciplinary matters under the new framework. The Committee will comprise a Chairperson and four members, and will serve on a transitional basis until a new Judicial Chamber is operational (presumably, by the end of 2027).

2. 2026 FISU World University Championship Powerlifting

Due to the ongoing situation and the associated security concerns in the region, the Executive Committee decided that the 2026 FISU World University Championship Powerlifting in Sharjah, United Arab Emirates, will not take place as planned on 27-29 November 2026. FISU remains in close contact with the Organising Committee and will provide further updates in due course.

3. FISU University World Cup 3x3 Basketball: New Format and Attribution

The Executive Committee approved the new format of the FISU University World Cup 3x3 Basketball, and attributed the 2027 edition to Zunyi City, Guizhou province, China. FISU will share further information about the event in due course.

4. 2027 FISU World University Championship Biathlon

Following the cancellation of Biathlon from the Changchun 2027 Winter Universiade, the Executive Committee approved the attribution of the 2027 FISU World University Championship Biathlon to Osrblie, Slovakia from 3 to 7 February 2027.
